

New Ulmstead Resident

All boat slips in Ulmstead Estates are assigned according to the Nautical Department's Slip Selection Priority List. The request to be placed on this list must be made in writing or by email to the Nautical Dept. Manager. The UCI member's priority will be determined by the date this request is received by the Nautical Dept. Manager who will confirm receipt of such request. The UCI member must have all dues/assessments paid to be placed on the list.
